

the alpha course

Got deep questions?

Alpha is an opportunity to explore life and the Christian faith in a friendly, open and informal environment. No faith is needed. It's for anyone who is curious. There are 10 sessions each starting with food (puddings!), a short talk and a discussion where you can air your views.

10 Monday evenings 7.30-9.30-pm
starting with a taster evening on 13th April 2015

Arrive for desserts and cakes. Listen to a presentation from a Christian point of view on the topic of the evening. Then a chance to discuss with others from different points of view. Come along to see whether you will like it - no obligation to come back.

The Rectory, The Street, Saxlingham Nethergate.
