About The Alpha Course

Guests do Alpha for a wide variety of reasons - some want to investigate whether God exists; others are concerned about what happens after death. Some people have particular questions that they would like to discuss; others want to understand other peoples' beliefs or would like to explore what the purpose of life is. The Alpha course is designed primarily for people who aren't churchgoers and each course is open to everyone who would like to attend. Some may have attended church but feel they want to explore the basis of the Christian faith claims.

Alpha courses are based around small groups so people can get to know each other, continue discussions and deepen friendships. Our Alpha course lasts for 8 Mon eves, with a possible day away in the middle. Each session will begin with coffee and desert - a chance to get to know others in the group. There is then a short talk on video, which looks at a different aspect of the Christian faith each week such as "Why did Jesus die?" or "Does God heal today?" (For a sample see <http://alpha.org/watch>) This is followed by a time of discussion, where everyone is welcome to contribute their opinion, ask questions and discuss with the rest of the group. The emphasis is upon exploration and discovery in a relaxed and informal environment. Hope you can make it.
